FOR IMMEDIATE RELEASE

Excipients for Coatings and Release: Mantrose-Haeuser Co., Inc. has the solutions

WESTPORT, CT (March 14, 2007) – Mantrose-Haeuser Co., Inc. offers a full range of excipients for designing custom release and coating of tablets, capsules and beads. This product line facilitates sealing as well as immediate, delayed and enteric release properties of pharmaceuticals and nutraceuticals. Included in this line of excipients are Mantrocel HPMC and HPMCP, Certified® shellacs, pharmaceutical glazes, carnauba wax #1 and GMO-free Crystalac® zein. In addition, Mantrose offers global solutions for coating excipients.

Mantrose's outstanding Research and Development team offer extensive technical support and can custom formulate products with panning capabilities for open or automated panning operations.
